5. Jim Hyde (Bureau of the Budget) called in response to inquiries on the status of our proposed report to the House Post Office and Civil Service Committee on H. R. 1870. Mr. Hyde explained that Mr. Hughes, Assistant Director for Legislative Reference, is personally handling reports on this bill for the Bureau. Hyde said that while he could not make absolute assurances, he was confident that Mr. Hughes had our interests very much in mind and he felt that we had nothing to fear on this bill. He added that he thought Mr. Hughes was quietly trying to kill any action on this bill by the Committee. Mr. Hyde was reminded that we had spoken informally to members of the Committee staff concerning our problems on this bill and that we would wait for further word from the Bureau. (See memorandum to Acting DCI on this subject dated 6 April 1959.)
